PRESIDENT/CEO MESSAGE

Greetings,

This is a time of reflection for most. A time when people think about the year they had, and the year to come. What they hope for in the new year, what they want to accomplish, what they can do better. Things of that nature. Sadly, for most, within a month reality takes over and those hopes and dreams for the coming year get dashed.

Robin Bodie
President/CEO

I have been doing a lot of reflection. I turned 53 in December and the realization hit me that while I am not old, I am not young anymore either. I have been thinking about my life, what I have accomplished, what I still have left to do. There is a focus on what I need to do to ensure my two boys grow up to be honest, trustworthy men of integrity. I want them to know right from wrong and that actions have consequences – both good and bad. I want them to think about how they treat others and how they want to be treated. I need to teach them there are times to be strong and courageous, and times to be understanding and compassionate. I want them to know when to stand up for what is good and right, and when to walk away from what is hateful and wrong. I want them to see that joy, happiness, and a full heart comes from love and sacrifice, not selfishness and greed.

It made me realize what my boys see is what I show them. Are they seeing those qualities and traits in my actions as well as my words? Am I doing all that I can to help them be the kind of men that will make the world a better place? The answer is I can do better. I need to do better.

Instead of resolutions to lose weight, drink less, save more, let's resolve to just be better examples to our children. Let's give our kids more of our time, our love, our laughter, and our strength. In turn, we will give the world more.

I hope we all have a better new year.

Robin

THANK YOU!

Thanks to your kindness, we have been able to make a significant impact in our community by providing essential warmth and nourishment to those in need.

Your donations of non-perishable food items have helped us collect **over 416 pounds** of nutritious essentials for families facing food insecurity through Northern Virginia Food Rescue.

The response to our Coat Drive was equally heartwarming. We were able to collect **64 coats** for those in Prince William County Preschool Programs. Your generosity has not only provided physical warmth but has also warmed the hearts of those who might otherwise have felt forgotten.

Once again, thank you for making this Food and Coat Drive a tremendous success. Your compassion has made a lasting impact!
